Bethany House Updates

WOW!! Spring 2021 is upon us. We continue to be very busy at Bethany House and luckily for us our live-in staff has grown by one. Our Bethany House team consists of E'Tiana, Sr. Karen, Lisa, Shynta, SanSann and now Cassandra. We are so fortunate to have Cassandra as apart our growing team.

In addition to a new staff member, we also have a newborn baby girl at Bethany House. Although the family will be moving on soon, mom is very thankful for all of the donations that arrived at the house for her when the baby was born.

We have been very fortunate that that no one has been infected with COVID-19 as a result of their time at Bethany House. Because our staff, volunteers and guests now have access to being vaccinated if they choose to do so, we are opening up our doors to more guests.

Bethany House: Where Miracles Happen

COVID-19 has forced us to forgo having our annual Bunco Fundraiser for another year. However, Sr. Karen came up with the great idea of doing a virtual event where staff members, volunteers, board members, and former guests will get an opportunity to discuss the miracles that happen at Bethany House.

Interns & Volunteers

Bethany House is hopping with new faces. We now have two interns from Geneseo- Lindsay, a sociology major and Abigail, a Childhood and Education major. We also have Caysey and Justine from Nazareth who are both majoring in social work. Lastly, we have two interns from the University of Rochester- Christina, a public health and gender studies major, and Madelyn, a health, behavior, and society major.

We are also seeing an increase in the number of emails from individuals who want to get involved. At the moment, we have well over 30 active volunteers. They help prepare dinner, run our food pantry, and assist with organizing and light cleaning.

We are so grateful for all of our interns and volunteers. Rain, sleet, snow or pandemic, they continue to show up for us. We are abundantly blessed.

Supporting Bethany House

Our needs include diapers, baby wipes, formula, feminine products, hygiene products, cleaning supplies, XL garbage bags, hand soap, dish detergent, dishwasher pods and laundry detergent.
