Dear Bethany House Friends:

Bethany House is hosting a fundraiser for our 45th anniversary of service! We will be doing a film screening of **Revolution of the Heart: The Dorothy Day Story** at **The Little Theater** on **Tuesday, November 15, 2022 from 7-8pm**, with a reception to follow. We invite you to join us in supporting this event in order to help make the fundraiser successful and maximize donations to Bethany House.

Bethany House first opened its doors to homeless women and children in 1977, founded on the principles of the Catholic Worker Movement pioneered by Dorothy Day in the 1930s. We still follow the movement's principle of hospitality towards one's neighbor with no expectation of anything in return. Since its beginnings, Bethany House does not accept government funding for the services we provide. *We rely completely on private donations and grants.*

As a sponsor, your name and/or business will be recognized and exposed to Bethany House's diverse audience, including some of our most generous friends. There are many (tax deductible) levels of sponsorship to select from:
